

Methacton School District Fundraising Guidelines

In accordance with the Methacton School District Policy #141, the following guidelines apply to all fundraising activities:

1. Each booster/club parental organization shall develop and present to the sponsor/coach an annual budget. The budget will be presented to administration for final approval.

The budget should include planned expenditures, as well as, current revenue and expenditure.

2. Fundraising activities must be approved by the sponsor/coach and administration.

A Fundraiser Form needs to be completed and presented to the sponsor/coach, who will then forward the application to the school administration for final scheduling and approval. The form will be accessible online or the school offices.

3. All purchases require approval from the said sponsor/coach and administration and must adhere to District policy.
4. Adult supervision is required at all fundraisers.
