**Note:** These numbers do not reflect use for out-of-season teams who currently practice year-round.

**Band-** One and two turf fields is the difference between no impact and practice continuing to be in dimly lit and sloped parking lot to two fields allowing the band to be on a flat, turf field with appropriate lines and lighting every Tuesday, Thursday, Saturday for 3 hours as noted on the calendars.

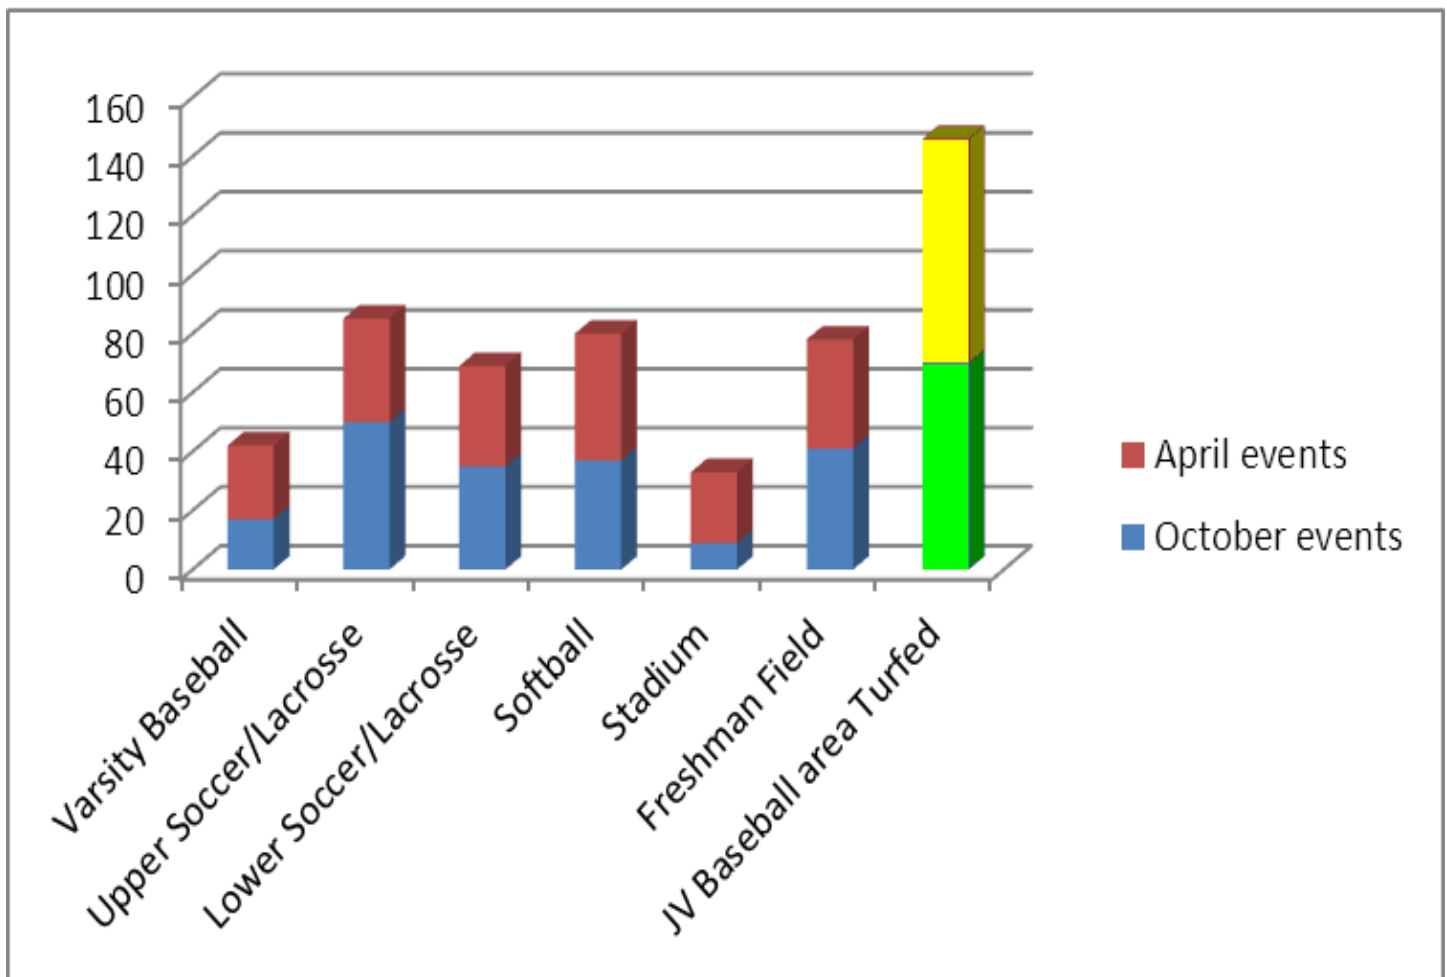

**Physical Education-** Assuming that two classes can be on the turf at one time, all PE classes would be accommodated rain or shine with two fields, as compared to only half with one field

**Community-** With regards to Monday through Saturday, two turf fields allows for hours of community use, including the revenue that comes along with it. One turf field limits the community to Sundays and summer hours

**Practice Times-** One turf field causes coaches and athletes to practice and play two to four times a week with the night shift if they want to get on the turf. Two turf fields limits the night slots to only games, allowing coaches and athletes at all levels to be done practices prior to 7:00 PM.
