

August 2019

Dear Parent/Guardian:

You are cordially invited to attend Methacton High School's annual "Back-to-School" night to be held on Tuesday, September 10 (for parents of students in grades 9 and 10)

OR

Wednesday, September 18 (for parents of students in grades 11 and 12)

All teachers (9-12) will be in attendance for both dates. We have separated the grades in this way to allow for optimal space in our parking lots, so please be aware that if you have a conflict with your designated date, you are invited to attend the alternate evening. If a teacher will not be present, they will be in touch with you.

This year we are beginning the night at 7:00 in your child's first period classroom. By design, Back-to-School Night will present you with an opportunity to walk through your child's schedule. In each class you will have an opportunity to not only meet the teacher, but to hear an overview of the curriculum and expectations of each course of study from the teacher teaching it. For those of you with students attending North Montco Technical Career Center (NMTCC), we will have a representative here to speak with you about their programs as well.

Because the class periods are short in duration, "Back-to-School" is designed to provide the overview version of the class. If you have individual questions for a teacher, please schedule a separate meeting time or contact the teacher by email.

To prepare for the evening, please have your son/daughter complete the blank schedule on the back of this letter or you can print the schedule from the Parent Portal and **please bring it with you on September 10 or 18.**

Back-to-School is truly a worthwhile activity for all involved. I encourage you to join us. If you have a conflict on the night scheduled for your grade level, please know you are welcome on the other night as all the teachers will be here following the schedule.

Sincerely,

Dr. Jason F. Sorgini, Principal

BACK-TO-SCHOOL NIGHT

Tuesday, September 10 Grades 9 and 10	Wednesday, September 18 Grades 11 and 12
