

## SENIORS:

# Graduation Planning has begun!

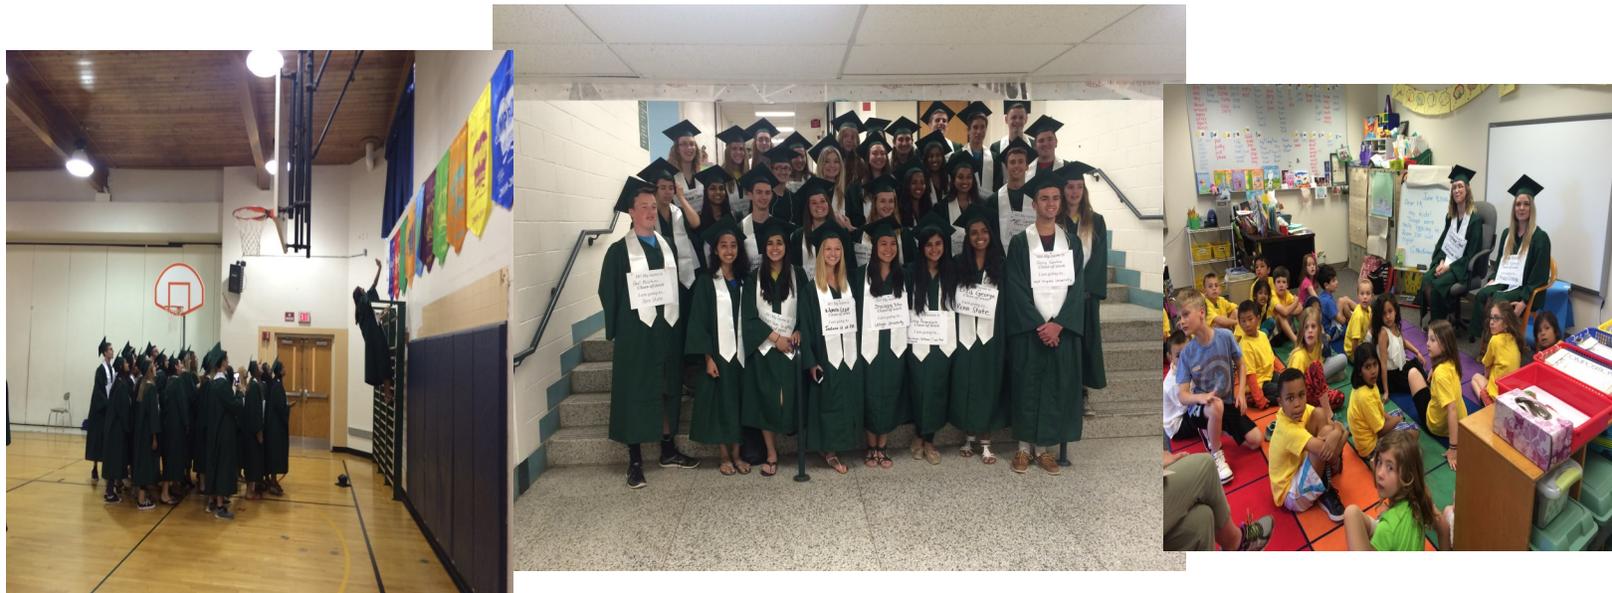

It is time to start thinking about Graduation and making plans!

First I would like to invite you to submit the speech you have always dreamed of giving at your graduation from Methacton High School! Your speech needs to be completely written and submitted to me at [jlandis@methacton.org](mailto:jlandis@methacton.org) before March 31. This year, YOU could be the Voice of the Class of 2017!

Next, I need a small committee of students to work collaboratively with me to select the Voice of the Class and to assist with any details for the graduation plan to create the ceremony you are envisioning. The new stadium provides some unique opportunities for your class to continue some traditions and make some of your own.

The first meeting will be March 15th and we will meet to make these decisions over the next month. If you are interested, just email me to sign-up! I have to cap the group at 8 so we can actually make decisions by consensus! Talk with you soon!

Mrs. Gallagher-Landis

## One last chance for a VICTORY LAP!

Also on the horizon is your graduation parade! This year we will be organizing an opportunity for you, as a senior, to return to both Skyview and to your home elementary school and participate in a "Victory Lap." In this final farewell, you will have a chance to walk the building and then sit down with students currently in attendance. They have prepared questions for you and you will have a chance to ask them for "advice" too! Sign-ups will be forthcoming and we will be looking for volunteers to go back to your elementary school to share this experience. It will take place on June 7th following your graduation practice and your cap and gown distribution! More details will be shared with you in a class meeting this Spring!
