March 2017

In like a lion.....

Dear Seniors,

Spring is just around the corner! Your school counselors want to remind you that senioritis can hit twice, once during senior year and again in June when colleges are reviewing transcripts of accepted students. Seniors are warned to not fall into this trap. Keep grades consistent or better than when applying to your schools to ensure that you will not be jeopardizing any acceptance decisions.

The Senior Banquet is around the corner and we all look forward to that wonderful evening. I encourage you to participate in Prom, the senior trip, mini-thon and all of the other spring events. Those events will be the things you remember most!

Sincerely,
Dr. Kochenour
