

Military Services – Access to Class Lists

August 2019

Dear Parent/Guardian of Methacton High School Juniors and Seniors:

As you may be aware, the law permits recruitment offices of the United States military services to have access to class lists of public high school juniors and seniors. These class lists are used in recruitment efforts by the armed services. Information contained in these class lists includes student names, addresses and telephone numbers to be used to contact prospective enlistees.

Students and parents/guardians may elect to have their contact information excluded from the class lists provided to the military services. To have your student's contact information excluded from the list provided to the military services, you must complete the form at the bottom of this letter and return it to the High School Counseling Office Friday, September 13.

Sincerely,

Jason F. Sorgini
Principal
