Optional Publicity Refusal Form 2019-2020

*If you **do not** want your student videotaped or photographed in the 2019-2020 school year, complete this form and return it to school office within three (3) days of receipt. This information expires at the end of the school year. Please resubmit every year.*

Dear Parent/Guardian:

Photos, videotape footage and personal interviews with Methacton School District students are often used as part of the district's community relations efforts and on the district's website.

If you **do not** want photos, videotape footage or interviews featuring your student used in district publications, cable access television programming or on the website, please complete the form below. Be advised that signing this form prevents intentional use of your student's photo or videotape footage. In situations where large groups of people are participating, it is often impossible not to photograph or videotape certain students, and therefore, we cannot prevent the use of photos or videotape footage that unintentionally includes your student.

Additionally, students that participate in school activities and/or athletics may be photographed or videotaped by members of the media or the general public while participating. It should be noted that under these circumstances, the Methacton School District Publicity Refusal Form would not be a valid means of preventing photographs or videotape of a specific student.

* Please note: This form must be re-submitted at the beginning of every school year. Also, signing this form does not prevent your student's photos from being included in MSD yearbooks. If you DO NOT want your student's photo included in the yearbook, please notify your student's school secretary.

If you have any questions, please contact Amanda Kelly, Coordinator of Communications and Community Services, at (610) 489-5000, ext. 15412.

(It is not necessary to return this form if there are no restrictions on the use of your student's photos, etc.)
