

Dear Parent/Guardian,

Attached you will find a medical and dental form. These forms are required by the State for new school enterers. Physicals and dentals must be from the current year. Please have them filled out by your family physician/dentist at their next visit. You may send them in as they are completed or the first week of school. The physical/dental forms don't need to be handed in at the time of registration, but you will need to bring a copy of your child's immunization record completed by their doctor to registration. You will not be able to register without this.
