 - There could be a revision to the lunchroom sign-up page. The length of the volunteer shift may be time-prohibitive for some potential volunteers. The suggestion was to change the sign-up to include 30-minute shifts. Kelly Arnone was going to follow up with Michele Isbrecht to discuss revisions to the page.
 - There was also a request for Nicole to share the new eating locations for the different teams.
 - The subject of recruiting more male help, maybe in the lunchroom, or other events, was briefly discussed.

Home & School provided the cardstock for students to make the cards for the hospital patients. The four volunteers needed have been filled.
