Principal's Report: Nicole Berical

Fun Day update – There are some concerns about utilizing the parking lot and traffic. She is looking for as many volunteers as possible to help manage the safety aspects of the driveway and parking lot. She would like us to use sidewalk chalk to identify boundaries and pathway for students to cross the driveway. Carolyn to promote the open positions of traffic watchers needed. Jenn Zavertrnik said we are in good shape regarding the other aspects of the event.

Yearbooks to be distributed on the morning of June 8th.

Mrs. Berical addressed the rumor that there are fist fights happening every day at school. She said she is not aware of this happening on a daily basis. She said there have been a couple of reports, which have been appropriately addressed. She is asking the H&S to help squash those rumors and to encourage students to report anything they're seeing on the playground. She doesn't want anyone to feel scared or anxious about attending recess. Lauren Pires asked that she put out a note to everyone reiterating this.

We are finalizing payments for remaining events of the year. We will end up with about \$15,000 in the account for the start of next year. We are in great shape!

New Business

End of Year Teacher Gifts

Child of homeroom parent to bring in the teacher gift the day of Fun Day. Teachers to receive them the morning of Fun Day. Larcena to remind Sammy Johnson (HR parent coordinator) to remind homeroom parents to ask for contributions. Mrs. Berical is checking on approval of sending home a paper request for contributions (due to lack of Konstella participation). Jenn Zavertrnik suggesting allowing students to write a small note or favorite memory card to their teacher if they're not able to contribute financially.

Fun Day Final Update

Jenn Zavertrnik said in addition to the staff Tug of War, there will be members of the Police Department participating. Jenn did alert the news media as well.

H&S funds were able to cover all the guests for the event so it was at no charge for everyone.
