I. Principal's Report

- The Principal, counselors, & teachers completed data meetings in mid-Feb. to review/determine benchmark levels and identify needs for support systems.
- There is a 6th grade youth book drive for Read Across America week.
- Transition planning is ongoing for applicable students changing schools (4th-graders and 6th-graders). There will be tours, intro nights for parents, etc.
- The author visit will take place on 3/04- All students will see the presentation.
- New mini-Thon club/group: A meeting was held today (3/3) with some 6th-graders who presented their idea of beginning their own mini-Thon club/group. The students want to raise money for a cause, but they are still deciding on the cause. Ideas, such as having an outside event with a DJ on a Friday, were discussed. There will be further meetings to iron out more details. Maybe mini-Thon could coordinate with Fun Day after PSSAs in May.
