

# SKYVIEW HOME & SCHOOL ASSOCIATION

Dear Skyview Faculty & Staff:

We are pleased and excited to announce that the Skyview Home & School Association (SVHS) will again be sponsoring a Mini Grant Program for this year's school year. The purpose of this program is to fund new and innovative ideas that will enhance Skyview's current curriculum. Mini-grants are to be used for materials for a special project, supplemental learning tools that cannot be obtained through the district, or some other enhancement to the classroom learning environment. The amount applied for will vary per project – it doesn't hurt to ask, right?!

To apply for a mini grant, please complete the attached application and return to the Home & School mailbox in the office, attention SVHS Mini Grant Program, or send electronically to [skyviewpresident@gmail.com](mailto:skyviewpresident@gmail.com). Please attach any supporting documentation (i.e.: pictures, catalog page copy) you feel would be helpful. The SVHS Executive Board will review all applications to determine which mini grants are affordable and provide the most benefit to students. All applications will be reviewed and those awarded will be notified. We will be voting on them at Home and School meetings. It is important to note that there may be a lag time between submission and the voting period.

Once your mini-grant is approved, you will receive an approval letter from the SVHS Treasurer. Please do not purchase anything until you have received your approval letter with the amount awarded. All receipts need to be submitted to the SVHS Treasurer for reimbursement (necessary forms will be sent).

We look forward to receiving your completed application (including principal's signature), and working hand-in-hand to provide our students with a quality education. Feel free to contact us on the Mini Grant Program or any other matter you would like to discuss. Please don't hesitate to email us throughout the year if you ever have any questions or great ideas!!! Our goal is to help you enhance our students' upper elementary school experience and provide an environment that is nurturing and as well as fun!

Sincerely,

Skyview Home & School Association
