

# **WOODLAND'S WILD ABOUT READING!**

Woodland Home & School is raising money for fun, family-oriented activities, and community projects for our school. These funds help enrich our children's educational experience while helping Home & School in our effort to strengthen relations between families and our school staff/administrators. Highly anticipated activities such as the 4th Grade Pillows, Popcorn, and Pajamas event as well as the school wide Fun Day are funded through donations raised every year. Home & School also awards Mini Grants to teachers for technology and supplies that support and enrich the already wonderful work they do in the classroom.

Home & School wants to promote a healthy mind and a lifelong love of reading to our students and the community. Please help us reach our fundraising goal by supporting our Read-a-Thon. We have teamed up with *Get Movin'@* to make this event fun and profitable with online mobile friendly technology!

## **We Need All Parents to Complete 3 Easy Steps:**

1. Register your Child by visiting [www.getmovinfundhub.com](http://www.getmovinfundhub.com) . It's free, easy, and fast to register! Every student who is registered will receive a FREE SMENCIL! For School Identifier use **5f47b2683e3c0** . You can have your child personalize their webpage with a picture, personal message, or video!
2. Email and/or Text your child's student fundraising webpage to friends and family. It is super easy to do!
3. Share on Facebook or Twitter with just two clicks of a button. You'll be surprised when donations come in from distant relatives and friends from High School or previous co-workers. Post and see what happens!

## **Student Goals:**

- Each student is encouraged to raise \$25. There are exciting prize incentives for each \$25 raised!
- Be an Overachiever Superstar by raising \$200 and have a special lunch meeting with Dr. Euker! (socially distanced or via Zoom based on parent/guardian's discretion)
- Each student is encouraged to read 25 minute per day (outside of active instruction) for a total of 125 minutes the week of the Read-a-Thon. This means that if a teacher is reading the class a story on zoom, those minutes wouldn't count. However, if a teacher says to read independently during the school day those minutes would count. Parents and Guardians can log student's minutes into their activity tracker on their fundraising webpage to be entered for fun prizes based on how many minutes are read!

***Our total SCHOOL GOAL is \$10,000 raised & 55,00 minutes read!***
