### **Home and School Meetings:**

#### **First Meeting of the School Year:**

Tuesday, September 5th 7:00 PM on Zoom

*Check the enclosed calendar for other meeting dates and times*

Our informal monthly meetings keep parents/guardians up-to-date about events and programming at Worcester and within our school district. The meetings are also an excellent way to communicate with the Principal, our teachers, Methacton Coordinating Council, and other parents.

We welcome and encourage your participation in planning, organizing, and volunteering with Home & School!
