WHO'S WHO

Alex Pack

as UGC Staff Ensemble, Cop

Alex is thrilled to be performing in her third musical as a freshman with the amazing cast and crew of Urinetown: the Musical! She has previously performed in Mary Poppins Jr. (Ensemble) and Beauty and the Beast Jr. (Silly Girl) and is very much looking forward to participating in many more shows in the future. She has thoroughly enjoyed every minute of her first MHSTC production, although under very different circumstances than usual. Alex would like to give a heartfelt thank you to the absolutely amazing directors of Urinetown for all their hard work in making this show the best it can possibly be, her friends and family for their unwavering support throughout everything she does, and of course her incredibly talented fellow castmates! An especially big shoutout to all the wonderful MHS seniors who performed in this production, best wishes in everything you do following graduation from the high school!

Cassidy Butler

as UGC Staff Ensemble

Cassidy is a Junior and has been acting since she was 7. She has enjoyed being in many community theater productions. Some of her favorite roles are; Alice in Alice In Wonderland, Mary Tilford in The Children's Hour, and Pepper in Annie at DCP Theatre, Eva Jackson in The Rimers of Eldritch at Playcrafters, Vlad Vladikoff in Seussical at The Barn Playhouse, as well as Katie in Bang Bang You're Dead at The Barley Sheaf Players. Cassidy would like to thank the cast and crew for all their hard work in putting this show together. She has had so much fun making this show and hopes you all have just as much fun watching it.

WHO'S WHO

Connor Geib

as Senator Fipp

Connor is excited to play Senator Fipp. He is in eleventh grade. He is a Fundraising & Public Relations officer and a stage manager for MHSTC and a Vice President and Fundraising officer for WPG. He is also a Tenor Section leader for chorus, choral, and jazz chorus. He has participated in several other productions. His most recent roles are Matt Galloway in the Laramie Project, MacGregor in Brigadoon at MHSTC, Frances Nurse in The Crucible at MHSTC, Karl in Big Fish at Firebird Theatre, and Agwe in Once on this Island at Firebird Theatre. He wants to go to college for music and theatre. He would like to thank his family and friends that have always supported him, and a huge thanks to the seniors who have made such a difference in his life.

Cora Heiser

as UGC Staff Ensemble

Cora has been in many productions before, but she is very excited to do her first high school production. Some of her favorite roles she has played are Bulda in Frozen Jr, and a French Taunter in Monty Python's Spamalot. She would love to thank her friends and family for supporting her through these hard times.

Elena Chaya

as Robby the Stockfish

Elena is grateful to have had the opportunity to perform in MHSTC's production of Urinetown with this incredible cast and crew. She took on much more responsibility this year as a co-costume coordinator alongside Taylor Kaminski as they were tasked with creating costumes for the show's "poor people". It's been a tiring process but she couldn't be happier with the result. Elena has performed in MHSTC's shows before, playing Mary Warren in The Crucible and Doc O'Connor in The Laramie Project, but this is her first time in a show that's been filmed on stage. As Elena wants to study film and acting after she graduates, it has been exciting and beneficial to tell a story in an entirely different medium. Elena would like to send a huge thank you to the entire cast and crew who worked their butts off to pull this all together. She's made so many great memories with this cast and will miss them all, especially the seniors, who she wishes the best to after graduation.

DIRECTOR'S NOTES

Directing this production of Urinetown, the Musical, has been like no other experience I could have ever dreamed up. When we first started planning a Spring Musical, we weren't even sure if or how often we would get to rehearse in person together. We auditioned fully virtually, started rehearsals with a mix of in person and virtual students, and had a Zoom link available for every rehearsal right up until the bitter end, which almost always had at least one person on it.

Through it all, the members of the Methacton High School Theatre Company never gave up. They worked harder and more intensely than many other performers I have seen that are twice their age. It was like everyone knew that if we could just get a little further each day, we would make it to the end and be able to stage our full production despite the setbacks, the restrictions, the uncertainty surrounding every aspect of life this year. What a hard, cold, tumble of a journey it has been getting to this point, but I am so proud and grateful to say that they did it!

Congratulations to the entire cast, crew, and production staff of this show. We could not have gotten to this point without the individual efforts of each and every one of you.
