APRIL 5, 2024 JOB FAIR COMING	<p>JOB FAIR We invite you to showcase your career opportunities and connect with our talented students at an upcoming Job Fair hosted by Methacton High School. This event offers a unique platform for local businesses to engage with eager young minds and discuss potential career paths. Meet and interact with motivated students about career opportunities. Reserve Your Spot Today! To secure your table or for more information, please contact Dr. Shab Maffei at smaffei@methacton.org by March 15, 2024. A valid driver's license is required to participate.</p> <p>Date: April 5, 2024 Time: 7:30am-11:00am Location: Methacton High School Gym</p>	
NEWS ABOUT THE YEARBOOK	The 2024 Yearbook is for sale online at www.jostens.com	
NEWS FROM THE ATHLETICS OFFICE	<p>The athletics office would like to give shout out our HS girls soccer team. Last month, the Girls Soccer team was officially honored by the United Soccer Coaches Association as one of 72 high school fall boys and girls teams across the nation to receive their Team Ethics and Sportsmanship Award for demonstrating fair play, sporting behavior, and continually showing respect to other teams, coaches, and officials. We are the only team from the Pioneer Athletic Conference to be recognized this year.</p> <p>This is the 12th season in a row the Girls Soccer team has received national recognition with this award!</p>	
OAR SCHOLARSHIP	<p>OAR's Scholarship Program for students diagnosed with Autism. Application deadline: April 22, 2024.</p> <p>The Organization for Autism Research's scholarship program awards \$3,000 scholarships to students across the autism spectrum. This organization invites applications from persons with an autism diagnosis (DSM-IV or later criteria) pursuing full-time, post-secondary, education in any of the following: four-year undergraduate college or university, two-year undergraduate college, trade school, technical school, vocational school, or cooperative life skills program.</p> <p>https://researchautism.org/self-advocates/postsecondary-scholarships/</p>	

<p>Methacton Technology and Engineering Program:</p>	<p>Intro to Engineering: The Semester 1 class concluded with using Computer Aided Drawing to design Gameboards and learning architectural skills by designing a Tiny House floor plan.</p> <p>Architectural Design: Students completed designing floor plans for their 2-story home designs.</p> <p>Engineering Design: Students completed building and testing Robotic Arms they designed and built from scratch. They had to use their 3D CAD skills and 3D printing to design and construct their Robots.</p>
