- II. **Update on 2022 Post-Prom Event:** waiting on a final decision from the school (expected by Thanksgiving) on how they will be handling prom (ie. one combined event, separate junior and senior prom nights, etc.) so we can move forward with a definitive post-prom plan (ie. a senior only event, potential for one-night event with two shifts to maximize investment and provide all prom goers an opportunity to participate.) The timing of the school decision necessitates a December post-prom meeting to decide how to move forward.
