

Optional Publicity Refusal Form 2024-2025

NOTE: This form is **NOT to be submitted** unless you want to restrict your child from being photographed in school.

Dear Parent/Guardian:

Photos, videotape footage and personal interviews with Methacton School District students are often used as part of the district's community relations efforts and on the district's website.

If you **do not want photos, videotape footage or interviews featuring your child used in district publications, cable access television programming or on the website**, please complete the form below.

Be advised that signing this form prevents **intentional** use of your child's photo or videotape footage only. In situations where large groups of people are participating, it is often impossible not to photograph or videotape certain students, and therefore, we cannot prevent the use of photos or videotape footage that unintentionally includes your child.

Additionally, students that participate in school activities and/or athletics may be photographed or videotaped by members of the media or the general public while participating. It should be noted that under these circumstances, the Methacton School District Publicity Refusal Form would not be a valid means of preventing photographs or videotape of a specific student.

*** Please note: Signing this form does not prevent your child's photos from being included in MSD yearbooks. If you DO NOT want your child's photo included in the yearbook, please notify your child's school secretary.**

If you have any questions, please contact Andrea Toaso, Communications Assistant, at (610) 489-5000, ext. 15098.
