## **NOTICE: CONSTRUCTION PROJECT ALERT**

Dear Methacton Families,

Please be advised that [PennDOT](#) will soon begin construction on the Eagleville Road bridge over Eagleville Run in Lower Providence Township, Montgomery County ([click here to enlarge map](#)).

Eagleville Road will be closed between Visitation Road and Michael Lane beginning on Thursday, October 5, 2023, following afternoon dismissal. The construction is scheduled to end by 5 a.m. on Tuesday, October 10, 2023.

This project will likely result in longer commute times in our area. Because of this, we strongly encourage our families to consider using the school bus as a means of transportation to and from school during this period. Doing so will not only help alleviate the anticipated traffic congestion but also contribute to a smoother and safer commute for everyone.

Sincerely,

MSD Administration
