All services are provided at no charge to you.

What We Provide

- Telephone counseling and mobile intervention 24 hours a day, 7 days a week
- Meetings in your home and in the community
- Help in developing strategies for reducing recurring crisis
- Support in addressing drug/alcohol use or addiction
- Planning to cope with past traumatic experiences
- Connection to psychiatry in emergency situations
- Support from peer specialists who can relate to your experience
- Connections to other community supports and resources
- Assistance in connecting to higher levels of care as needed
- Collaboration with police and other emergency responders in support of individuals managing mental health crises

Family and Hospital Engagement

Family Engagement Services are offered at no charge during and after hospitalization. Family engagement can begin immediately upon one's admission to the hospital for treatment. The focus of this support is to enhance the maintenance of stability gained while inpatient, communication with other supports, and connection to Mobile Crisis for as needed support.

Peer Support Talk Line

The Peer Support Talk Line offers support 7 days a week for "warm line" support to adults in Montgomery County. Calls and texts are answered by certified peer specialists who understand the challenges and joy of living out the process of recovery. The Peer Support Talk Line is open daily from 1:00pm - 9:00pm and can be reached at **855-715-8255** or text **267-225-7785**.

Teen Talk Line

The Teen Talk Line is available for teens in Montgomery County to access call, text and email support from a volunteer peer. Peer mentors are trained and supervised to provide practical support to other teens. Teen Talk Line provides a preventative approach to reduce serious crisis situations, law enforcement activity and hospitalizations. The Teen Talk Line is open daily from 1:00pm - 9:00pm.
