A WARM WELCOME!

Thank you to everyone for the warm welcome that I have received as I joined the Methacton School District. I have enjoyed exploring the community and getting to know all of the members that make up Methacton.

I have a lot of people that I still anticipate meeting and look forward to the continued opportunities to connect with everyone. As stated in my report to our School Board, I am beginning with our school district leaders.

It is my hope to meet you in the future.

Warmest regards,
Ms. Washington

BOARD REPORT

October 26, 2022 I delivered my second board report. I shared that I had the privilege to meet with the Special Education Alliance during their Back to School Night. I also had the opportunity to participate in Responsive Classroom Training with a daylong training on Cultivating School Culture. I am looking forward to sharing more with our school district leaders how we can begin implementing these practices. This is while the district partners with Thom

Stecher and Associates on a systemic approach to implementing trauma informed care and social emotional learning. I plan to meet with the Office of Curriculum, Instruction, and Assessment to discuss this further. .

I am looking forward to continued work to bring Equity, Belonging, and a positive school climate to the district to ensure an exceptional experience for all.
