

SPIRIT OF METHACTON
AWARDS
JANUARY 2025

Our Core Values

The Spirit of Methacton Award is an opportunity to recognize our students, staff, and volunteers. Spirit of Methacton Award recipients are individuals who **consistently model the qualities of the 9 core values** of the Methacton School District. These individuals enrich our school community with their knowledge, commitment and support.

Ann Campbell

Na Park

Prof. Staff - 3rd Grade Teacher

Na is an energetic third grade teacher who is always looking for new and fun ways to engage her lucky students. She does an excellent job differentiating instruction to meet the needs of all learners, and students feel included and welcome in her classroom. Na has a positive attitude, and consistently goes above and beyond for her students and co-workers. She has shown leadership within our school community by volunteering for various committees over the years and is currently serving as a pilot teacher for our new science resource. Na makes every one of her students feel valued, and we are so fortunate to have her as a teacher at Worcester.

Jodi Lattanze

Sup. Staff - School Nurse

Jodi is truly the most amazing school nurse. She is always willing to help and goes the extra mile for the students at Worcester. Jodi has a positive attitude and approaches all situations with a sense of calm and clarity. She is a collaborative team member and works to ensure the physical and emotional needs of our students are met. Jodi also has a great sense of humor and consistently makes fellow staff members smile. Worcester's students adore her; she makes each of them feel special. We appreciate Jodi's dedication and all that she does for the families, staff, and students at Worcester.

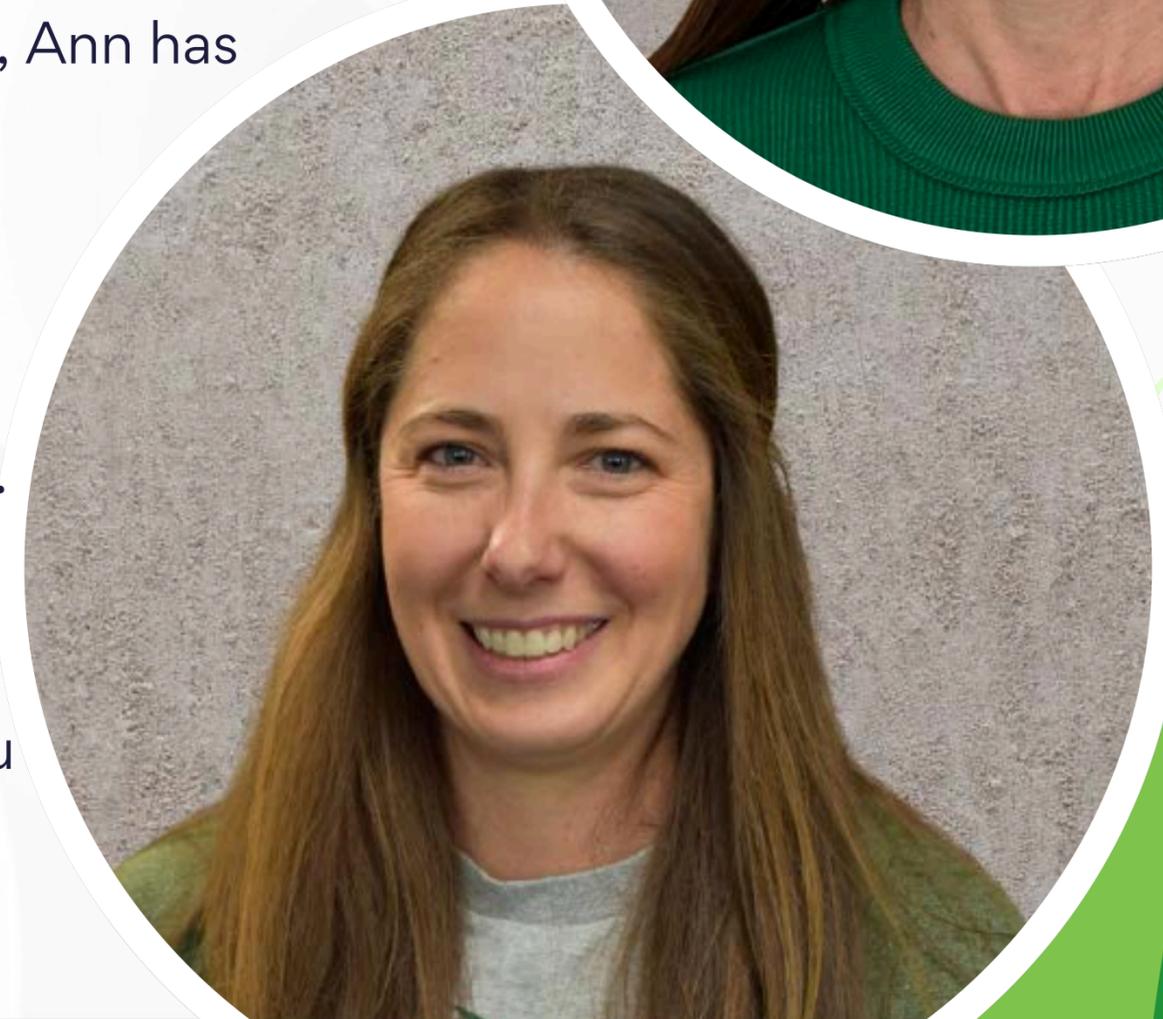

Nikki Scott & Ann Campbell

Volunteers

Both Nikki and Ann are remarkable volunteers at Worcester! They can often be found in the library helping to check books in and out and have become experts at shelving books! Both Nikki and Ann hold leadership positions on our Home & School Association, volunteer for many school events, and organize fun activities for all of Worcester to enjoy. For several years, Ann has created remarkable teacher appreciation celebrations and organized our Winter Workshop, a much-loved fundraiser during the holiday season. Nikki leads our school movie nights, started our “We Love Worcester” spirit day, and never runs out of ideas to promote spirit within our school... not to mention, she’s always ready to design a t-shirt!

Worcester is lucky to have parent volunteers, but we are even luckier to have Nikki and Ann as volunteers. Thank you for your creative ideas, your time, and your commitment to Worcester.

Myra Pawar

Student - 4th Grade

Myra is a fourth grade student at Worcester and exemplifies our school and district core values. At school, Myra is on our Student Council and serves as a member of our Safety Patrol. She also participates in classical dance and performed in our Talent Show last year. For the past three years, Myra has helped our school community by organizing and running a food drive during Diwali. The food collected was then donated to the Methacton Backpack program, providing meals and snacks for fellow students in our community. As you can tell, Myra is a very special young lady. We are so happy that Myra is a Worcester wolf!

Kathleen Everett

Farina - Sec. to the Director of Curriculum, Instruction and Assessment

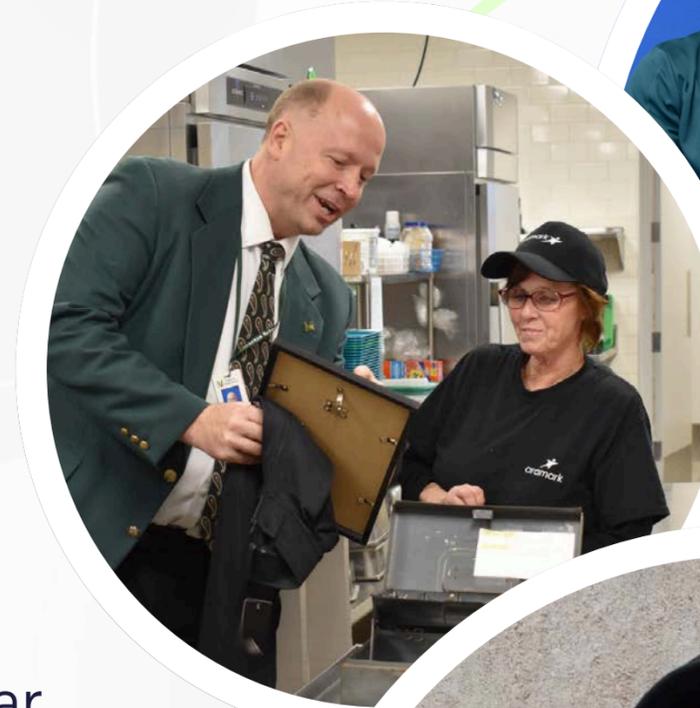

Kathleen Everett is the epitome of professionalism and dedication to supporting Methacton! Kathleen is very organized and is always willing to lend a hand whenever needed. Kathleen started her career with the district in September 2017, serving as the Secretary to the Director of Curriculum and Instruction. Kathleen organizes student teachers, updates the many curriculum documents, supports student registration, and works with Federal Programs, to name just a few of her contributions. Kathleen helps to promote and build a positive community for the staff at Farina with various celebrations and festivities. Thank you, Kathleen, for all that you do to support the students, teachers, administrators, and families here in Methacton!

Michele Terranova

Aramark - Food Service Worker at Arrowhead

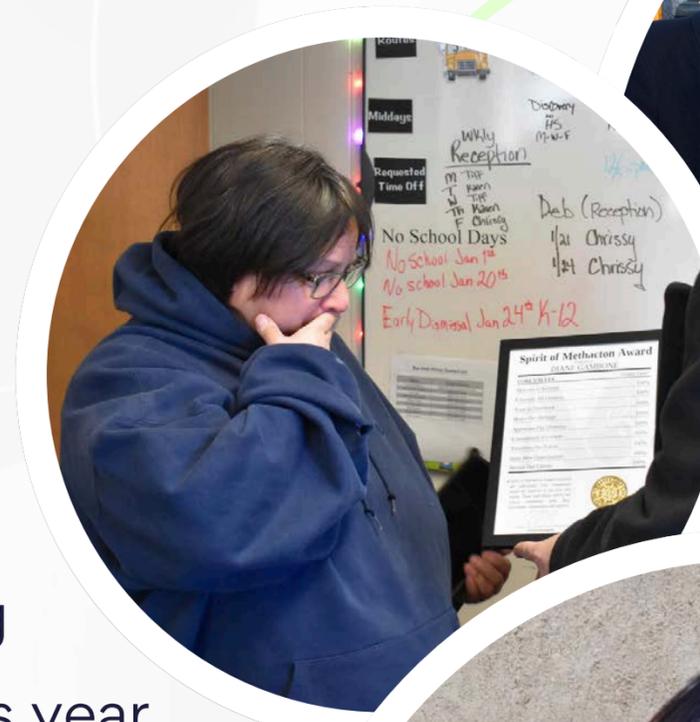

Michele has been working at Arrowhead Elementary since September 28, 2011—13 years and counting! She is an exceptional employee who collaborates effectively with both students and staff. At the beginning of each school year, when students are learning their ID numbers, Michele takes the time to help them find strategies to memorize the PIN, which they use throughout the year to purchase lunch. Michele is easygoing and consistently goes the extra mile for everyone. She readily fulfills any requests made of her.

Diane Gambone

First Student - Bus Driver

Diane, a Methacton alumna, has been an asset to the district's transportation system since she came on board in 2014. Known for her conscientiousness, dependability and commitment to her community, she is a favorite among staff and students. When Diane suffered an injury earlier this year, she was determined to return to work quickly. When she did, she was greeted by a display of heartfelt cards from students lining the walls of her bus - a testament to her great impact on her students. Diane consistently goes above and beyond on her routes, calling in accidents, stranded pedestrians, or loose animals that she sees so they can get the proper help. We are lucky to have Diane in the Methacton community!

Robert “Jack” Peoples

Facilities - Custodian

Robert “Jack” Peoples has quickly become an invaluable member of the Methacton High School custodial team in his nearly three years of service. Known for his reliability and dedication, Jack consistently goes above and beyond his regular duties. He is often called upon to serve as Head Custodian at other schools to cover absences and volunteers to be on call for after-hours building issues, including during holidays and weekends. Jack’s willingness to step in wherever needed, along with his strong teamwork ethic, makes him a go-to person that his colleagues and supervisors can always count on. His contributions reflect not only his commitment to his work but also his dedication to the success and smooth operation of the school community.
