Welcome!

Making the decision to volunteer your time and talents to the students of the Methacton School District is a very honorable one... and a decision with which we hope you will be pleased.

School volunteers enhance the educational experience in so many ways:

- By helping to ensure that vital programs like music, sports and the arts are available in the school
- By working as the extra hands, ears, and hearts of teachers whose responsibilities extend to many students
- By working to ensure the smooth operation of many school activities, we sometimes take for granted – for example, concessions at sporting events, or equipment management at band competitions
- By listening, caring, and supporting the most important person in any school – the student.

This booklet was designed to help ensure that your volunteer experience at Methacton School District is a good one. It contains lots of information about district procedures and policies (located in Appendix A) that affect you in your volunteer role, as well as tips and ideas that might make your experience more valuable.

Please let us know if there is anything we can do to help you as you give of yourself to our number one priority – our students!

General District Policies Concerning Volunteers

Exemptions:

Volunteers exempted from this requirement would include members of Booster and parent organizations who are *exclusively involved in fund-raising efforts off the school property.*

1. The Methacton School District School Board shall approve all volunteers.
2. **Volunteers must complete the Volunteer approval process prior to the commencement of volunteer service, including obtaining Act 34 and Act 151 clearances, as well as a tuberculosis screening in accordance with the regulations of the Advisory Health board BEFORE being placed on the volunteer list, per Section 1418 of the School Code. (*see note, page 2)**
3. **Should a volunteer cease involvement with the district's volunteer program for a period of one (1) school year, they will be required to repeat the Volunteer approval process.**
4. If, under the pertinent laws or regulations, his/her criminal history/child abuse report would preclude him/her from being hired as an employee, that person may not be a volunteer.
5. Volunteers shall not be asked to assume the professional responsibilities of the school staff. Volunteers may provide assistance that is supportive, when under the direction of a staff member.
6. Volunteers will not be permitted to directly administer student discipline nor will they be permitted to administer first aid, except in the case of an emergency.
7. Methacton School District administration shall be responsible for training said volunteers to perform the specific duties associated with their assignments.
8. The building administrator or designee shall assume general authority and responsibility over all volunteers serving at that site.
9. Under no circumstances shall a volunteer be considered an employee of the district. A volunteer shall receive no wages from the district.

The volunteer position is not a right, but rather a privilege that is conferred by the board and the administration. As such, any volunteer position may be eliminated at any time for any reason. In addition, any volunteer may be removed from a volunteer position for any reason.

Adherence to Laws and Methacton Policies and Regulations

Volunteers shall meet any standards that may be established by federal, state or local government, or by the board or administration, from time to time. The volunteer must agree to be bound by all applicable privacy laws and regulations.

In addition, the volunteer shall adhere to all rules and regulations and administrative guidelines governing the conduct of the district's professional employees.

Please familiarize yourself with following school board policies. These policies will also apply to district approved volunteers when participating in volunteer activities.

MSD Board Policy [916](#) – Volunteers
MSD Board Policy [323](#) – Tobacco
MSD Board Policy [348](#) – Unlawful Harassment
MSD Board Policy [350](#) – Criminal Charges/Convictions
MSD Board Policy [351](#) – Drug and Substance Abuse

Act 191 of the Pennsylvania Legislature of 1988 24 P.S. 5-527 requires that any employee of the Methacton School District who is convicted of the delivery of a controlled substance or convicted of the possession of a controlled substance with the intent to deliver shall be terminated from his or her employment with the district (no matter where the violation occurred). The same policy will be applied to volunteers.

Accident Reports

Any accident involving a student, employee or volunteer that occurs on school property must be reported to the school office using the appropriate district accident report forms. Such forms are needed for prevention of future accidents, regardless of insurance coverage or liability issues. Accident report forms can be secured from the building secretaries.

Confidentiality

It is expected that matters of confidential information or materials about students, staff, other volunteers or school district business will be maintained as confidential by anyone who may become aware of such information.

Transportation

All volunteers who transport students in personal vehicles are not covered by insurance provided by the school district. Insurance coverage in this situation is through the volunteer's own insurance carrier. Therefore, it is not recommended to transport students in your personal vehicles.

Use of the Methacton Name/Logo

Any use of the district's name or logo shall be done in accordance with MSD Board Policy [141](#) – School Related Organizations.

Use of Facilities

Because of increased use of school facilities, both during and after the school day, planning is important. All tentative dates for activities and special programs must be cleared with the principal and placed on the school calendar prior to organizing the activity. If an after-school activity is planned, the advisor/sponsor must submit a "Request for the Use of School Facilities" at least one month before the event. Appropriate chaperones and personnel must be available to attend the event before approval will be given. For more information about school facilities rental, consult the district's website.

Most buildings are open on a daily basis from 8:00 a.m. to 4:00 p.m. Staff members or volunteers who need access to the building beyond those hours should make arrangements through the office. A staff member must be present during any after-hours function.

Fundraising

The principal must approve the sale of all items to students (i.e. T-shirts, Tab books, etc.) as well as all other fundraising activities undertaken by volunteers associated with his/her building.

The school district is liable for the payment of state sales tax for sales of any items that are taxable under state law. The school district has two options: (1) pay sales tax to the vendor upon purchase of items that are to be resold and are subject to sales tax (*this is the preferred and easiest method*) or (2) collect the sales tax upon resale of the item and notify the business office of the amount of sales tax collected. A check made payable to the school district in the amount of the sales tax collected must be forwarded to the business office. The business office will then remit the required amount to the state. This applies to fund raising activity executed by the school district or by one of the activity funds or clubs operating within the school district's activity fund accounts. **Home & School and Booster organizations may not use the school district sales tax exemption form for any purpose, including fundraising purchases.**

Use of the Methacton Name/Logo

Any use of the district's name or logo shall be done in accordance with MSD Board Policy [141](#) – School Related Organizations.

Fire and Emergency Procedures

In case of fire

In the event a fire starts in the building, use the following guidelines for reporting the fires:

1. If the fire is of a controllable nature (wastebasket or something that is very small in nature), use accessible means to douse it, i.e. water, fire extinguisher, etc., THEN...
 - a. Notify the office
 - b. Have everyone evacuate area as a precaution
2. If the fire is of major proportions, ring the emergency fire bell located nearest you.
3. Follow the direction of the staff liaison concerning fire drill evacuation rules and procedures
4. Individuals with limited mobility (crutches, wheel chairs, etc.) must be provided individual attention. If necessary, they are to be carried from the building. ASK for extra help if needed!
5. Building re-entry – everyone must remain outside the building until notified by the authorities to re-enter.

In case of threat or other emergency:

In the event of other emergencies, the district has established certain procedures to be followed by the administrative and office staff. When a building evacuation is warranted, fire drill procedures should be followed.

General Information

All school personnel must know the location of fire extinguishers and alarm boxes within the school building.

Inflammable materials (shop supplies, science kit items) are to be kept in fireproof receptacles (e.g. metal).

The Board declares it to be the policy of this district to provide to all persons equal access to all categories of employment in this district, regardless of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin or handicap/disability. The district shall make reasonable accommodations for identified physical and mental impairments that constitute disabilities, consistent with the requirements of federal and state laws and regulations required by Title VI, Title IX, Section 504, and the American Disabilities Act. For information regarding civil rights or grievance procedures, contact the Superintendent, 1001 Kriebel Mill Road, Eagleville, PA 19403 (610) 489-5000.

HELPFUL HOW-TOS

A few pointers to enhance your volunteer experience.

Basic Volunteer Procedures

- Be sure to sign in and out of the building each time you visit to volunteer.
- ALWAYS wear your Volunteer Lanyard while in the school.
- Be reliable. Call if you cannot be at school.
- **Confidentiality is highly important!** Remember that anything overheard concerning students or staff should never leave the building.
- Keep in mind that you are here to support teachers, not replace them. Please refer to the classroom teacher for his/her preferred method of dealing with day-to-day situations.
- Please keep track of dates and/or hours you give in volunteer service. It's very helpful to us to know how many hours of volunteer service our schools receive each year.
- Remember – if you don't know – ASK! We'll be glad to help!

YOUR Help makes a
BIG Difference
in the lives of our students!

Volunteering with Students

- A student's name is VERY important. Make every effort to remember the names of the students you work with.
- Be sure the students know your name – establish in the beginning how they are to address you. (You may want to check with the classroom teacher as to what is normally done in the school.)
- Demonstrate your interest in the students by asking them about their activities and LISTENING!
- Help build students' self-confidence by pointing out the improvement you see in their work, manner, etc. Even when helping to correct a student's work or manner, try to start the conversation by discussing the positives!
- Discuss student behavior and/or progress ONLY with the teacher.
- Make sure you always leave the students on a positive and friendly note.
- Keep in mind that students will model the behaviors they see adults displaying – whether that adult is a staff person or a volunteer.
- Common sense and cool heads are always the best in any situation.
