

ARROWHEAD FORWARD

Furniture Presentation to Methacton School Board Directors
January 25, 2022

ARROWHEAD FORWARD

January 25, 2022

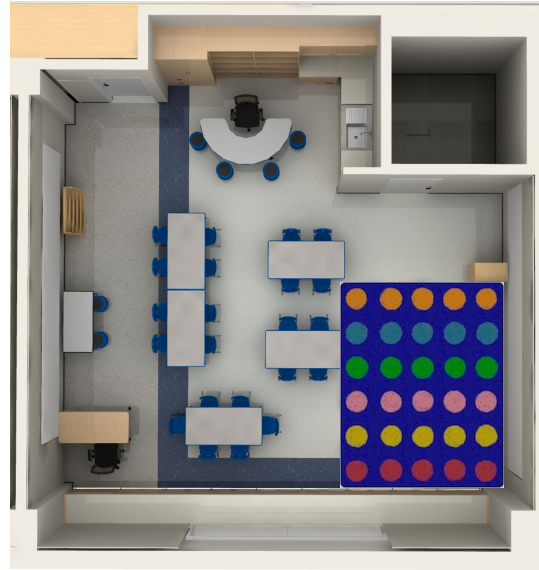

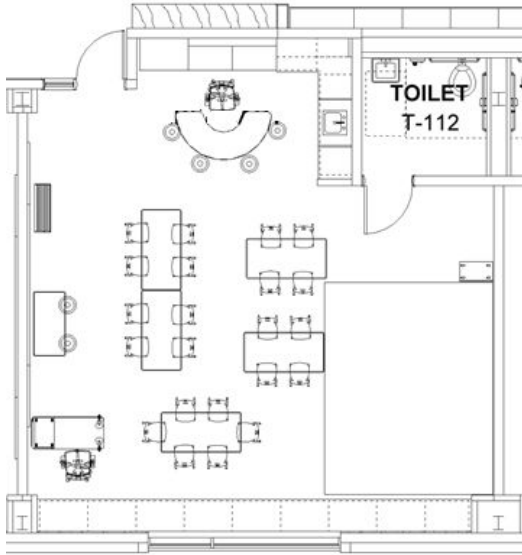

General Overview of information in the presentation.

1. This is the first of two presentations and does not cover all of the rooms.
2. Today's presentation will show instructional rooms, innovative learning spaces, music room, nurse's office and faculty room.
3. The floor plan layouts are based on the architectural rendering. Teachers will have the flexibility to move furniture around to meet the needs of their students.
4. Not all items in the photos will necessarily be purchased.
5. All chairs will be the color blue, despite the pictures.
6. The wave desks are flat on top, as the curve is on the shape of the desk.
7. Flooring colors are not necessarily the same as what is being installed.
