

METHACTON SCHOOL DISTRICT

COVID-19 USE OF FACILITIES

ADDENDUM

All outside (Non Methacton School District operated) organizations must declare that they have a Covid-19 Health and Safety Plan in place and that it will be communicated with all of their participants prior to their use of the Methacton School District’s facilities. The outside organizations Health and Safety plan should be consistent with major medical organization recommendations such as the CDC.

All outside organization use of Methacton School District school facilities must adhere to gathering limitations set forth by the Governor or by state law applicable at the time of use. As a reference, at the time of the creation of this addendum, 25 or fewer people for indoor activity, 250 or fewer people for outdoor activity and the outside facility as a whole may not exceed 50 percent of total occupancy otherwise permitted by law.

Unless otherwise permitted by law, all individuals (adults and children) present at the facility are counted towards gathering limitations. Any deviation from the included limitations outlined within shall be approved in advance by the district in writing. It is the requirement of the renting organization to make such requests to the district Facilities department in care of Mr. Tim Barbagallo tbarbagallo@methacton.org.

All individuals associated with the outside organization must comply with face covering order and any other COVID-19 related order that may occur following the creation of this document/issuance of rental agreement. The district will notify renters of additional restrictions and their requirements to comply. In the instance that such subsequent restrictions by law or district policy should prevent the renting outside organization from complying with the new rules or otherwise using the facility as intended under the original agreement, the renter may request relief from the original agreement length of term by contacting the district.

Outside organization with permission to use district facilities are responsible to supply their staff, materials, supplies, and equipment to manage and support their health and safety plan during use of Methacton school facilities.

All individuals associated with the organization must remain in the area/space approved for usage. Individuals will be provided strict guidance on entering and exiting facilities and use of rest rooms.

All water fountains in school buildings have been disabled and are not available for use. Water bottle fillers (where installed) are available for use.

All individuals associated with the outside organization must use the designated restrooms for the facility area/space they have been approved to use.

Methacton School Districts Custodians will clean and disinfect all indoor areas prior to use by an outside organization.

Organization leaders confirm with the signing of this addendum that they will conform to these additional requirements and manage their membership accordingly or otherwise face immediate forfeiture of permitted use of facility.
