Stephanie Berardelli

Prof. Staff - Counselor

Stephanie Berardelli serves the Arcola student body as a school counselor. Her work to support students begins first thing each day and lasts well past the typical end of the day. Whether it be helping students get organized in the morning, or providing supervision and support for students who stay after school to get caught up on some work, Steph is always checking in on her students and is willing to help them succeed.

Steph does a great job communicating with families and is very resourceful in providing recommendations so our students can reach their potential. Steph always extends a listening ear for students who need to share a concern and works diligently to support our 7th grade students as they transition to Arcola. Steph treats every student the way we would want our own children to be treated: with care, genuine concern, and kindness. We appreciate Steph and her daily efforts to make Arcola a place where each student feels welcome and cared for.

Venessa Polinski

Sup. Staff - Attendance Secretary

Venessa Polinski is a valued member of the Arcola family, serving as Arcola's Attendance Secretary. Venessa works hard to ensure that student attendance information is accurately submitted and recorded each day. **Attention to detail and collaboration** are two of her standout strengths.

Venessa's smiling face and pleasant personality are always on display to greet students and staff members in need of assistance at the attendance window. In addition, Mrs. Polinski is occasionally stationed at the main office front desk, where she enthusiastically greets visitors, directs phone calls, and otherwise assists the office staff in a variety of ways. Venessa's many positive contributions to the Arcola community are recognized and appreciated!

Larcena Johnson

Volunteer

Larcena Johnson serves as the president of the Arcola Home & School, and epitomizes what it means to reflect the Spirit of Methacton! Larcena spends countless hours planning activities for students and supporting teachers and programs. She is so full of energy and brings her all to everything in which she is involved. She truly wants what is best for the students at Arcola and her leadership demonstrates that time and time again.

Larcena brings out the best in each member of the team she leads. As a Methacton graduate, she understands the importance of giving back and honoring the traditions of this great district! We are so blessed to have her support. Her contributions to Arcola are greatly appreciated!

Ethan Carver

Student - 8th Grade

Ethan Carver is an 8th grade student at Arcola and a young man who has a bright future ahead of him. Two of Ethan's greatest attributes are what we wish for all our students: simply to be respectful and kind. Ethan not only demonstrates these qualities to the staff at Arcola, but also to his peers.

Ethan participates in extracurricular activities and can often be seen after school working to improve himself as a student -athlete.

Ethan always displays a positive attitude, which is contagious. For all of these reasons, Ethan is truly a leader at Arcola and the impression and difference he has made here really stands out! Keep up the great work, Ethan!

Please join us in thanking them for their
contributions to the
Methacton School District.
