Program – Year 2

Mentorship

- Each candidate will be assigned to an administrative mentor.
- The mentor will be within their field of study or certification area.
- The mentor will be an administrator for which they are not supervised by or work with on a regular basis.

Benefits

Participants can be prepared for...

- Engaging lessons and discussions.
- Case studies and real world examples that will enrich the learning experience.
- Suggested reading materials and book studies to dig deeper into our knowledge and understanding.
- Opportunities to work along side administrators through the mentorship program to get firsthand experience.

THANK YOU!
